

PRESTON PRIMARY SCHOOL

Spring Term

WEEK ENDING 24/05/2024

What a busy week we have had in school, there has been so much going on, trips out, sporting events, visitors, so much that I can't fit it all in! The first week back is equally as exciting with lots of events planned.

Healthy Living Week

The first week back to school after half term is Healthy Living Week. As per the letter already sent, children are to come to school wearing their PE kits all week so they can take part in lots of sporting activities including Quidditch on Monday.

Consultation

Thank you to all of the parents and carers who have responded to the consultation that was sent out for our additional SEND provision. Some further information is that these classes will be separate to the main building and will have its own space and teaching staff. We will be sending out a 'frequently asked questions' document to parents in due course once all responses have been received.

PTA

The PTA would like to thank parents for taking part in the raffle and let you know that they raised over £400. I have already spent some of this by purchasing new balance bikes for Nursery and Reception children and will be buying some more outdoor equipment for the rest of school.

Have a lovely week off for half term.
