

PRESTON PRIMARY SCHOOL

Summer Term

WEEK ENDING 12/07/2024

Last week I had the privilege to go with the year 5 children for their residential trip to Grinton, enjoying a variety of activities such as raft building and archery. It was great to see the children thrive in a different environment and develop lots of new skills. I was particularly proud of the children's behaviour. I was approached by the staff at Grinton Lodge to say that the children were the best-behaved class they had ever had and members of the public complimented the children on their excellent manners. Well done year 5!

This week in school

Last week year 6 went on their transition days to their new schools, we have had very positive feedback from both the schools and the children. As part of getting ready for their new schools this week they have been working on some of their skills that they will need in secondary school. Year 5 have been learning about life cycles and the changes that happen over time. Year 4 have had their class assembly which went very well. Reception have been continuing to work on their phonics and nursery have been around school on a wonder walk.

Year 6 SATS

This week we received our year 6 SAT results. I am incredibly proud of how hard the children worked and this is shown through the great results that they achieved. The children have all received their individual results and I will share the whole school results next week.

Parent Survey

Thank you to everyone who responded to the parent survey and particularly the parents who made comments at the end. I really appreciate the feedback and will be looking at how we can implement some of the suggestions that have been made.

Summer Fair

Make sure that you have remembered that tonight is the summer fair and what is sure to be a great evening. The PTA have organised, amongst other things, bouncy castles, assault courses, BBQ and drinks, raffle, tombola and the very popular Teacher Stocks (who will be in for a soaking this year?). This will be on Friday 12th July 5pm until 7pm.

Have a lovely weekend.

Mr Sanderson

Upcoming Events

Summer Faye
Friday 12th July 5 -
7pm

Class Assemblies

Year 3 - 16th July 2.30pm

Year 6 - 22nd July 6.30pm

School Closes for

Summer

Tuesday 23rd July
