

# PRESTON PRIMARY SCHOOL

Week Four Autumn Term

## WEEK ENDING 29<sup>TH</sup> SEPTEMBER

What a busy week in school, we have had visitors into school, multiple trips out of school and some of the worst weather I can remember. On Thursday we were visited by three leaders from across our Trust who came and looked at how we do things here at Preston. I was very proud of the children and staff who acquitted themselves admirably.

### This week in school

Reception have been busy this week baking and working on their house and home topic. Year 1 have been learning about Super Potato and having fun finding out about floating and sinking. Year 2 have been working on the Gruffalo. Year 3 have been on a field trip to Teesmouth for a rock and soil workshop, the children have been very excited about this even though the weather is not the best. Some of the children from year 4, 5 and 6 were selected for a cross country event, Mr Pearce said that they all did very well and fun was had by all. This week some of year 5 have been selected as digital leaders who will work across the school helping with internet safety. Year 6 have been asked to pilot a new online maths program designed to challenge and improve their maths knowledge. Nursery have been learning about Spain, they have learned how to say hello in Spanish and tasted different food. We have now welcomed in all the Acorns children and they are getting to know each other and the staff.

### PTA

Don't forget that afterschool tonight it's the PTA AGM at 3.30pm in school. Everyone is welcome to attend this and new members would be especially welcome, you don't need to have any experience just a willingness to help.

### Digital Leaders

Congratulations to our new Digital Leaders from Year 5 - Millie, Carson, Imogen, Belle, Zara and Yousef! They will be running a number of activities linked to internet safety this year after they have completed their initial training.

### School Uniform

Thank you to everyone who has donated uniform for our school uniform exchange. We currently have lots of uniform and do not have space to store anymore. The uniform exchange is free and available for anyone to use so please make use of this fabulous resource.

### Parking

This week I have had several complaints from our neighbors around school about dangerous and inconsiderate parking. Please be considerate when you are parking and be aware of other people around you.

Enjoy your weekend.

Mr Sanderson
