

# PRESTON PRIMARY SCHOOL

Week 2 Autumn 2<sup>nd</sup> half Term

## WEEK ENDING 15<sup>TH</sup> NOVEMBER

Another busy week in school with lots to tell you about. We began, on Monday, with a walk to the cenotaph to lay our poppy wreaths and pay our respects as part of Remembrance Day. The children behaved excellently and were a real credit to the school.

### This week in school

The children in Acorns have been learning about different shapes. Year 2 have been working hard planning their narratives based on the book Rainbow Bear. Year 1 have been investigating, during Science, whether materials are waterproof or absorbent. Reception have had parents in school to learn about the importance of reading and phonics. It has been nursery rhyme week so the children in nursery have been reading and acting out nursery rhymes. Year 3 have been swimming this week and are all working really hard and improving. Year 4 have been designing their light up Christmas cards as part of their DT and science project. Year 5 have been investigating the meanings behind stories as part of their RE work. Year 6 have enjoyed playing rounders as part of their PE and worked hard on their arithmetic skills.
