

PRESTON PRIMARY SCHOOL

Week 3 Autumn 2nd half Term

WEEK ENDING 22ND NOVEMBER

The weeks are flying by and I have been really pleased with how well some of the older children have been supporting the younger children, from helping them in the dinner hall to making sure they have their coats zipped up!

This week in school

Acorns, this week, have been exploring ice, how its made and how it can be used. Nursery have been reading Not a Box and Not a Stick this week and making items linked to these stories. Reception have been writing their Christmas letter. Year 1 have been testing materials for absorbency in science and used 2d shapes in math's. Year 2 have been exploring cars, looking at their wheels and axels as part of their DT topic. Year 3 have written a sequel for their book Voices in the Park and have been focusing on their 4 and 8 times tables. Year 4 had a clay modelling workshop where the models they made will be displayed in Stockton Town Centre. Year 5 had a visit too Teesside High to learn more about Vikings, Greeks and Latin. Year 6 sold bracelets, to help fund their London trip, and wanted to say thank you for all of the donations.

Breakfast and Afterschool Club

Please ensure that if you are dropping your child off at breakfast club you bring them to the door of the cabin and not leave them at the outside gate to ensure that they arrive safely. We have extended our wraparound provision from straight afterschool until 6pm, if you would like to make use of either breakfast club or afterschool club then please book via the app.

Coats

The weather this week has really taken a turn and the children need to be wrapped up in warm clothes. Please ensure that your child has a coat everyday in school. Lots of parents are now sending children to school with hats and gloves, please can I ask that you write the child's name in them to help with getting them back to the right person.

Late

If you are late in a morning then please ensure that you come and sign the children into the office school so that they can be registered properly.

Have a lovely weekend

Mr Sanderson

Upcoming Events

Year 6 parents London meeting Tuesday 26th November @5:30

Friday 29th November
