

# PRESTON PRIMARY SCHOOL

Week 3 Autumn 2<sup>nd</sup> half Term

## WEEK ENDING 29TH NOVEMBER

Another busy week at school with visitors coming in and trips out. We have a PD day on Monday 2<sup>nd</sup> December where children are not in school. These days are an important part of ensuring that staff are up to date with the latest training and stay on top of all of the latest research and developments in education.

### This week in school

This week Acorns have been taking advantage of the cold weather and thinking about the effects that this has on your senses. They have been exploring the school grounds and enjoying the trim trail. Nursery have been working on Stick man and enjoyed their walk to the post box with their wish lists for Santa. Reception have also been out on a walk to the post box to post their wish lists. Year 1 have been investigating moving parts during DT lessons and are creating Christmas cards. Year 2 have been using spring boards in PE as part of their gymnastic routines. Year 3 have had a visit from a drum workshop this week and been out to an athletics competition where they did very well. Year 4 have started to make their Christmas cards and have been working on their times tables. Year 5 have been learning about cams. Year 6 have been improving their sewing skills in DT lessons so they can complete their Christmas project.

### Parking

Please ensure that when parking you are considerate of the local residents and other road users. Please drive at reduced speeds due to children and parents crossing roads that have limited visibility because of the amount of parked cars.

### Christmas Jumpers

If you have any old Christmas jumpers that you would like to donate to school then we would be very grateful, we will then pass these on to families who need them.

### Reverse Advent Calendar

This year we will again be doing a reverse advent calendar. Information for this will follow in a separate message.

Have a lovely weekend

Mr Sanderson
