

# PRESTON PRIMARY SCHOOL

Week 3 Spring Term

## WEEK ENDING 31ST JANUARY

This week our Year 6 children have been out of school on their residential trip to London, a great time was had by both the children and the staff who accompanied them. I'm pleased to report that the children were a credit to the school and demonstrated all of the values that we work on in Preston. As the year 6 children were not in school, the year 5 children had the opportunity to take over some of the jobs in school and I'm pleased to report that the school will be in good hands next year when they take over.

### This week in school

Nursery have been celebrating Chinese New Year and trying different Chinese foods. Reception have been moving in different ways including pencil rolls as part of their PE. Year 1 have been focusing on 'We are going on a bear hunt' including acting it out and filming it. Year 2 have been carrying out experiments with mouldy bread and eggshells in their science lessons. Year 3 have been reading 'The day the Crayons Quit' and writing in a similar style. Year 4 have been focusing on plastic pollution and creating art from recycled materials. Year 5 have been writing stories based on their work about Toothie and Cat. Year 6 have had a great time in London this week fitting so much into their four days away.

### Parents Evening

On Monday the school cloud booking system will open for you to book in your parents evening meetings and will be open for the next two weeks. The school office will send a link to you on Monday so that you can access this. The system will allow you to book **one meeting per child** and show you the available times. Please contact the office if you need any assistance with this.

### Parking

This week I have had a meeting with Stefan Houghton (Eaglescliffe East Councillor) to discuss the parking around school. It was a productive meeting and we will continue to work together to find solutions for parking around school.

I hope you have a lovely weekend.

Mr Sanderson
