

PRESTON PRIMARY SCHOOL

Week 3 Spring Term

WEEK ENDING 7TH FEBRUARY

It's the end of the first week of February and we've had another busy week in school! It is lovely to finally see some lighter mornings and evenings!

This week in school

Nursery have been investigating the weather this week and having lots of fun exploring. Reception are getting fit with their daily mile challenge and reading 'Rosie's walk'. Year 1 have been enjoying their music lessons with Mrs Norris, learning about pitch and tone and learning 'Do re me' from the sound of Music...ask them to sing it for you! Year 2 children loved getting involved in a drumming workshop with Apollo Arts! Year 3 have been having fun this week making abstract sculptures in Art. Year 4 have been practicing body percussion in Music...maybe they could team up with the drummers! Year 5 have been using Crumble kits to program switches. Acorns children have been busy exploring rhyme and rhyming strings this week through the story of 'Oi Frog!'.

Year 6 - well what can we say. They had the best time in London last week and are still reliving memories of the London Eye, Madame Tussauds and Wembley! The children were superstars and we are very proud of them.

Parking

Can we please ask you to park safely, legally and considerately. Please do not park on grassed areas as this is damaging the greens and upsetting our neighbours.

We encourage you to park at Preston park and take the short walk into school.

Breakfast and After School Club

When collecting or dropping off children please use Elmwood Road Gate. Thank you

Parents Evening

Please make sure you have booked your parents meeting appointments via the online booking system. Any problems, please contact the school office from Monday.

PTA Valentine's disco

We're excited about the discos next week! We have some VIP DJs ready to boogie the night away so come along and have fun...all will be revealed!

I hope you have a lovely weekend.

Mr Sanderson
