

PRESTON PRIMARY SCHOOL

Week 4 Spring Term 2

WEEK ENDING 28TH MARCH

What a busy week we have had in school with the children working very hard and producing great work. The children who went out on visits this week were a credit to the school showing their resilience, independence and politeness.

This week in school

Year 6 have been to the Links primary school and listened to Bex Hogan who is the author from the Stockton book of the year competition. Year 5 have been practicing their songs and were in the performance of 'Little Shop of Horrors' last night. They were brilliant! The children in year 4 have been involved in a number of activities out of school this week including Aim High maths and a Tri golf competition. Year 3 have worked hard developing their knowledge of fractions and learning all about bridges. Year 2 have been introduced to the Times Table Rock Stars app this week. Year 1 have been measuring capacity in Maths. Reception have been very busy with Mother's Day crafts and Nursey have made Mother's Day cards. Acorns have enjoyed watching their sunflowers and tadpoles grow.

School uniform

As Elizabeth's has closed, we have worked with a local company to make sure that you can still go somewhere close and try before you buy. Excited to now be back up and running for you to purchase uniform

Remember to name uniform as that way we will be able to pass it back, when not if they lose their jumpers. The £1 for initials will be the best £ you will spend

Sleep Over

Places are available for the key stage two sleep over, if your child is interested please book this through the gateway app. Mr Armstrong has planned lots of fun activities and is hoping to make it the best sleep over yet.

Year 6 Egg Raffle

Throughout next few weeks the year six children will be selling tickets for their Easter egg raffle, they are trying to raise funds to help support their school trip later in the year. If your child would like a ticket please send £1 into school with them and the Year 6 will bring them a ticket.

I hope you have a great weekend.

Mr Sanderson
