

PRESTON PRIMARY SCHOOL

Week 6 Spring Term 2

WEEK ENDING 4TH APRIL

Another busy week with lots happening and lots of learning opportunities being taken by the children.

This week in school

Nursery have been reading We're going on an Egg Hunt and have begun to make their Easter cards. Reception have been learning about melting ice and have been reading Dragons Love Underpants. Year 1 have been learning about the meaning of Easter and started their Easter cards. Year 2 have been making puppets and developing their sewing skills as part of their DT topic. Year 3 have been making bridges and understanding what makes a strong one. Year 4 have been using AI as part of their English topic on magical houses. Year 5 have been carrying out experiments using different mediums in art. Year 6 have been publishing their arrival story. Acorns have been exploring their outdoor environment this week and making the most of their new equipment.

Arbor computing system

Thank you to everyone for your understanding while we change our computer system. Our office is working really hard to ensure that the process is as painless as possible and will continue to get to grips with the new system in the coming days. If you require any help please let us know and we will endeavor to help in any way we can.

Road Works

This week there have been a number of traffic disruptions around the school including traffic lights making the journey to school more difficult than it usually is. The road works are scheduled to last up to 32 weeks so issues may persist over the coming weeks so please be aware of this and adjust your journey times accordingly.

Sleep Over

Tonight, is the school sleep over and the children and staff are very excited about it. Mr Armstrong has planned a series of different things to do including Mrs Barkers quiz, a DVD and outdoor activities if the weather stays nice. When you arrive, we will check that we have your latest contact number and sign everyone in so please be aware this may take a few minutes.

Uniform Provider

Our new uniform provider is Motif8 and is now live on the website.

I hope you have a great weekend.

Mr Sanderson
